BRITISH REPULSED IN DRIVE AGAINST **GERMANS ON YSER**

Also Forced to Retire From Crater They Took, Berlin Reports.

BERLIN, Feb. 21 (via London). Repulse of a British hand grenade attack against the new German position on the Yser Canal north of Tpres was announced to-day by the German War Office.

Forced withdrawal by the British from the edge of the mine crater to which they recently advanced is also attack on the German lines along the Lens-Arras road.

The official statement come "North of Ypres, an English hand grenade attack on our new position on the canal was repulsed.

"South of Loos, the enemy again was forced to withdraw from our grater position.

"On the Lens-Arras highroad they attacked without success.

"Our aeroplane squadron attacke several enemy positions behind their lines, such as Furnes, Poperinghe, Amiens and Laneville. Many suc cossful results were

"Eastern Theatre of War;— "Russian attacks in front of Dvinsk failed. Minor enemy advances other points also were repulsed."

GREEK WARSHIP SENT TO WATCH AT DURAZZO

Will Protect Greek Residents Bulgarians Enter the Albanian City.

PARIS, Feb. 21.—The Greek cruiser Helle has arrived at the Albanian port of Durazzo to protect the Greek residents in that city and in the surrounding districts in case the Bulgarians should succeed in entering the city, says the Rome correspondent of the Petit Parisien.

In the Austro-Hungarian official report dated Feb., 20, it was stated that an advanced Italian position had that an advanced Italian position had been taken by the Austro-Hungarians near Bazar-Sjak, which lies about six and a quarter miles to the northeast of Durazzo. It had previously been intimated in the Austrian official reports that the Bulgarians in Albania were operating estimated. Albania were operating against Aviona, about eighty miles south of Durazzo.

One Bullet Left in Revolver Hit Sister A stranger gave sixteen-year-old Sabino, of No. 733 Washington Street, a .22 calibre revolver to-day. He went to the roof of the tenement and, as he thought, fired all the bullets in the thought, fired all the builets in the chambers into the air. Then he went down to his home and exhibited the workings of the weapon to his four brothers and sisters. There was due loaded cartridge left in the revolver and the builet from it struck two-year-old Palmyra in the back of the head. She was taken to St. Vincent's Hospital in a critical condition. Sabina ran out of the house and the police have been unable to find him.

WORLD "AD" RECOVERS LOST \$12,000 NECKLACE

Jems Lost on Fifth Avenue by St. Regis Guest-Reward of \$600 Paid to Finder.

Harry Silverstein, an employee of Freundlick & Sons, No. 57 West Thirty-eighth Street, picked up a string of pearls with a diamond clasp as he was walking along Fifth Avenue, just above Forty-fifth Street, Saturday afternoon, about 1 o'clock. When he recovered from his surprise he took counsel with David Lewis, a lawyer, at No. 141 Broadway.

Among the lost and found ads in The World yesterday they noticed that a neckiace answering the de-scription of the one Silverstein found had been lost by Mrs. Emil Sperling, who lives at the St. Regis Hotel. A reward of \$500 was offered for its

CRONES CALLS UP WORLD DFFICE TO FOR \$2,000,000,000

cause Notoriety Seekers Use His Name, He Says.

SCORES OWN BROTHER.

"Police Are Stupid!" He Cries, Announcing He'll Stay Here Till Thursday.

The ubiquitous and clusive Jean Crones, who put potson in the soup of the diners at Archbishop Mundelein's banquet in Chicaga called up The World office at noon to-day and expressed displeasure at the notoriety 1917 to date were £1,420,000.000 or other persons are acquiring by the about \$6,677,000,000. This statement use of his name. Crones appeared much peeved about what he called the desire for publicity which prompts and for munitions manufacture and people to write letters purporting to purchases from April 1, 1915, to Feb come from him.

Crones's prime object in calling un he said, was to apologize for not coming to The World office yesterday afternoon, as he had promised to do Most of the stocks showed fractional in two telephone calls, one of which the belligerents are unavailable, but was sent from Mendelsohn's news "I was going to call and see the beginning of the war. Italy's exeditor," he said "but I talked to a penditures in December were estimated in Brooklyn and he advised mated at more than \$600,000,000. Both the Russian and Austrian War Of-"I was going to call and see the me to stay away. So I did not have

> building I am now arranging leave New York next Thursday. "Aren't you afraid the police will

taurant in Forty-second Street. I saw half a dozen detectives in the place and outside and none of them even looked at me twice." "Did you write all these letters tha

mve been printed in which you confessed putting polson in the soup?" Crones was asked. "I wrote only one letter." he declared. "I wrote that to the police

chief and it hasn't been printed. Some people are getting notoriety by my case. Look at my brother up in Middletown, N. Y., giving out things about me and talking to reporters all SAYS HE TELEPHONED AS PO

LICEMAN LOOKED ON. "He shouldn't do such things. All the papers. I called him up on the long distance telephone this morning. It took me sixteen minutes to get the call and there was a policeman right outside the place where I was telephoning, but he didn't suspect that Jean Crones was so close to him."

Crones said a photograph printed in The Evening World was a fine ploture of him. But he expressed doubt it would prove of any aid to the

There is reason for belief that Crones is not moving about so freely as he claims. For instance, in one of his letters, printed last week, he said he was around Police Headquarters a couple of hours and nobody noticed couple of hours and nobody noticed him. To-day, in talking to this of him. To-day, in talking to this of him. To-day, in talking to the ofhem. To-day, in talking to this of-fice, Crones referred to Police Head-quarters as "in Mulberry Street." This indicates he does not know Po-lice Headquarters is now established in Centre Street.

ASQUITH'S REQUEST CALL NOTES FAKES BEFORE COMMONS

Soup Polsoner Is Peeved Be- Will Raise Britain's War Expenditures to \$8,640,000,000; Enormous War Totals.

> LONDON, Feb. 11.-Premier Asguith this afternoon introduced in Commons the Government measure for new war credits of \$420,000,000 (slightly more than \$2,000,000,000).

The voting of three credits, the Prime Minister stated, will raise England's total war expenditures to £1,763,600,000, or about \$8,640,006,000 belligerents in the European war have spent, since the beginning of hostifities, about \$40,000,000,000.

Premier Asquis announced that England's total expenditures for 1916confirmed recent estimates made by London financiers.

Expenditures for the army and navy 19, 1916, totalled £834,600,000 pounds (about \$3,748,000,000), Premier Asquith stated. Loans to England's allies for that period totalled £168,900,-000 (about \$800,000,000). Accurate estimates from several of

it is generally believed that Germany has spent about \$8,500,000,000 and France about \$7,500,000,000 since the me to stay away. So I did not have the courage.

"Now, Mr. Editos, you see I cannot make the call as I promised. My friend tells me it would be foolish, as the police might be watching the cannot they have spent on the war.

In a speect or Dec 16, 1915, the French Deputy Jules Roche estimated that the war has cost all the belligation of the control of the courage.
